

General safety instructions

For the safety of each other and to ensure that we can participate in the Masses and other events in a dignified manner, please adhere to the safety regulations. Let's look out for each other so that everyone has a good time together!

In addition to the general safety rules, check the description of each event for the applicable rules.

The following items may not be brought into the event area:

- alcohol, drugs
- pyrotechnics
- glassware, glass bottles, metal bottles
- objects or devices containing explosive, toxic or flammable substances
- firearms, piercing, striking and cutting implements (blades, knives, butterfly knives, switchblades, gas sprays, lead batons, baton, metal chains longer than 50 cm, throwing stars, slingshots)
- other objects particularly dangerous to public safety
- drones or any remote-controlled devices or toys
- bicycles, scooters
- any advertising material, symbols, placards, boards, signs incompatible with the purpose and spirit of the event
- live animals (except assistance and guide dogs as defined by law)

The length of flag poles and the poles of signs or placards shall not exceed 1.5 metres.

Only small folding pilgrim chairs may be brought into the event area.

Please do not bring any luggage, suitcases or rucksacks larger than hand luggage. Please make sure that your luggage does not contain any prohibited items! The contents of your luggage will be checked on entry. Do not leave your own luggage unattended, or if you notice any such items, report them to the local organisers!

Keep the following items with you at all times:

- tickets/wristbands
- ID card or passport
- vaccination certificate (if you have one)

It is recommended to have the following items with you:

- programme booklet/mobile application
- hand sanitiser
- drinking water (only in a plastic bottle)
- food
- your own medication if you have any
- in case of outdoor liturgies:
 - hat, sunscreen
 - raincoat, poncho

In case of emergency **please contact the on-site staff first** (present organisers, volunteers, authorities). Medical and ambulance services will be on duty at all times.

We recommend that you arrive with a charged mobile phone and switch it to silent mode during the events.

Pay special attention to minors and under-age children accompanying you.

Smoking is only allowed in designated areas.

Events will be held regardless of weather conditions, unless we are required by the authorities to suspend them due to a force majeure.

For the latest relevant epidemiological measures, please visit our website (www.iec2020.hu), our social media platforms and the IEC2020 application.

Please note that airspace restrictions have been imposed throughout the duration of the event and across all event venues. Therefore, the flying of drones is strictly prohibited!

Please keep a close eye on your valuables, as we cannot be held responsible for any lost or stolen items. Items confiscated during security screenings will be handled differently from event to event. Lost and found items can be handed in at the entry point, lost items can be claimed there or after the event at info@iec2020.hu.

We reserve the right to change the programme and location.

In addition to the general safety rules, check the description of each event for the applicable rules.
